

## INTERNET TO-GO

# What is Internet To-Go?

Tallen Technology Rentals has a unique package to provide temporary internet solutions for corporate events. Each solution is designed to meet the needs and requirements of the event planner. Each solution begins with our Internet To-Go Kit – a completely self-contained mobile internet hotspot. We can provide internet connectivity inside any venue in the U.S., including convention centers and hotels. We'll set up your laptops, printers, PDAs, kiosks, and other devices so you can stay connected and avoid the outrageous in-house internet fees.

### Features:

- Guaranteed Verizon 3G broadband coverage at your trade show
- Internet speeds up to 1.4Mbps down/800 Kbps up
- Unlimited usage with no gigabyte overage charges
- Secure wired and wireless (WiFi) network for up to 4 computers
- We'll verify your coverage with our proprietary Approved Venue's List
