## DINNER MEETINGS

### Ordering Processing is easy:

Whichever is easiest for you?

- ✧ Online Ordering
- ✧ Over the Phone
- ✧ Simply by email

### Tallen Provides:

- ✧ Confirmation on every order
- ✧ Equipment is hand delivered and installed prior to meeting
- ✧ Delivery throughout the US and Canada

### Onsite:

Tallen's technical team will set up the equipment specified for the event and verify that everything is working properly. Our devoted staff will be on standby should there be any technical issues that occur throughout the event. All of Tallen's on-site a/v technicians, installers, drivers, etc, will be dressed business or business casual attire representing Tallen Technology Rentals and your company. The A/V technician assigned to your meeting can remain on-site until after the meeting begins, to ensure everything is running smoothly or the technician can be contracted to stay for the entire meeting. Tallen will do everything we can to make sure that your meeting is a success.

If there are any problems during your meeting, after the technician has left, the logistics team at Tallen will be able to help you fix any problems or if needed contact the technician for further assistance.
